### PROFESSOR DIANE ZORN

*"Leaders in distance education need to be ground-breakers and move away from traditional approaches to online teaching and learning. We design effective online learning environments that enable greater choices and give students the ability to customize their learning environments. We constantly refine the process with feedback from all involved in the teaching and learning process."*

# Distance Education

## eSO

The eServices Office offers students the opportunity to take Internet and Blended courses. To enrol in these credit course offerings, you will need to be admitted as a student at York University.

## HOW DO I APPLY FOR DISTANCE EDUCATION COURSES?

To apply to a degree or certificate program, or as a visiting student, refer to the York University Admissions Web site at [www.yorku.ca/admissions](http://www.yorku.ca/admissions) for detailed admissions information and online application procedures.

Once admitted, you may enrol for courses by using the online Registration and Enrolment Module available at [www.registrar.yorku.ca](http://www.registrar.yorku.ca). The York University course timetable and enrolment guide are also available on this Web site.

## BLENDED (LECI) COURSES: IN CLASS & INTERNET

Blended course format – approximately half in-class and half Internet – reduces your on-campus visits by almost fifty percent. The course instructor will inform you of the mandatory on-campus class schedule and the online component at the beginning of the term.

## INTERNET (INTR) COURSES

You can alleviate your on-campus schedule by mixing your in-class courses with Internet courses. You can learn from the convenience of your home or office anywhere in the world. Distance courses use the same textbooks and materials and cover the same course content as in-class sections. These courses count towards your degree or certificate program in exactly the same way as in-class courses.

## OFF-SITE EXAMS

Enrolled in one of our distance education courses and reside more than three hours travel time from Toronto? Write your exams off-site at the nearest recognized college or university in your area. For more information about off-site exam eligibility, processes and fees, visit our Web site [www.yorku.ca/laps/disted](http://www.yorku.ca/laps/disted) and click on Off-site Exams. Off-site exam request forms are available online at this location.

## ONLINE ASSIGNMENT SUBMISSIONS

Once enrolled in a distance education course, your instructor will post information on how to submit your assignments. eSO offers online assignment submission through our Assignment Upload Web site to make it convenient for you. For details please visit our Web site [www.yorku.ca/laps/disted](http://www.yorku.ca/laps/disted) and click on Assignment Submission.

## PROGRAMS OFFERED VIA DISTANCE EDUCATION

You can now complete the following programs entirely at a distance through Internet and Correspondence courses:

*Faculty of Liberal Arts & Professional Studies*  
• Bachelor of Administrative Studies

*Faculty of Graduate Studies*  
• Master of Science in Nursing (MScN)

Many distance courses are offered in various disciplines that you can take with or without pursuing a distance degree. Visit [www.yorku.ca/laps/disted](http://www.yorku.ca/laps/disted) for course listings.
