## eServices Office

The eServices Office offers students the opportunity to take Fully Online and Blended courses. To enrol in these credit course offerings, you will need to be admitted as a student at York University.

## How do I Apply?

To apply to a degree or certificate program, or as a visiting student, refer to the York University Admissions Web site at [www.yorku.ca/admissions](http://www.yorku.ca/admissions) for detailed admissions information and online application procedures.

Once admitted, you may enrol for courses by using the online Registration and Enrolment Module available at [www.registrar.yorku.ca](http://www.registrar.yorku.ca). The York University course timetable and enrolment guide are also available on this Web site.

## Fully Online Courses (INTR)

You can alleviate your on-campus schedule by mixing your in-class courses with fully online courses. You can learn from the convenience of your home or office anywhere in the world.

Fully online courses use the same textbooks and materials and cover the same course content as in-class sections. These courses count towards your degree or certificate program in exactly the same way as in-class courses.

## Blended Courses (LECI): In-Class & Online

Blended course format reduces your on-campus visits by 30-70 percent. The course instructor will inform you of the mandatory on-campus class schedule and the online component at the beginning of the term.

## Program Offered Fully Online

You can now complete the following program entirely at a distance through fully online courses:

- Faculty of Graduate Studies
- Master of Science in Nursing (MScN)

Many fully online courses are offered in various disciplines. Visit [www.yorku.ca/laps/disted](http://www.yorku.ca/laps/disted) for course listings.

## Off-Site Exams

Enrolled in one of our fully online courses and reside more than three hours travel time from Toronto?

Write your exams off-site at the nearest recognized college or university in your area. For more information about off-site exam eligibility, processes and fees, visit our Web site [www.yorku.ca/laps/disted](http://www.yorku.ca/laps/disted) and click on Off-site Exams.

If you have any questions, e-mail [disted@yorku.ca](mailto:disted@yorku.ca) or call 416 736 5831.
