SUMMER 2015

Fully Online & Blended Courses & Programs

# eLearning

## eServices Office

The eServices Office offers students the opportunity to take Fully Online and Blended courses. To enrol in these credit course offerings, you will need to be admitted as a student at York University.

## Fully Online Course Format (ONLN)

You can alleviate your on-campus schedule by mixing your in-class courses with fully online courses. You can learn from the convenience of your home or office anywhere in the world. Fully online courses use the same textbooks and materials and cover the same course content as in-class sections. These courses count towards your degree or certificate program in exactly the same way as in-class courses.

## Blended Course Format (BLEN): In-Class & Online

Blended course format reduces your on-campus visits anywhere from 20-80%. The course instructor will inform you of the mandatory on-campus class schedule and the online component at the beginning of the term.

## Programs Offered Fully Online

You can now complete the following programs entirely at a distance through fully online courses:

### Faculty of Graduate Studies

- Master of Science in Nursing (MScN)

Many fully online courses are offered in various disciplines that you can take with or without pursuing a distance degree. Visit [www.yorku.ca/laps/disted](http://www.yorku.ca/laps/disted) for course listings.

## Off-Site Exams

Enrolled in one of our fully online courses and reside more than three hours travel time from Toronto? Write your exams off-site at the nearest recognized college or university in your area. For more information about off-site exam eligibility, processes and fees, visit our Web site [www.yorku.ca/laps/disted](http://www.yorku.ca/laps/disted) and click on Off-site Exams.

If you have any questions, e-mail [elearned@yorku.ca](mailto:elearned@yorku.ca) or call 416 736 5831.
